THAMES RIVER SPECIALTIES CO.'S LARGE MILL WHICH IS TO HAVE ITS CAPACITY DOUBLED.

CAPACITY OF PLANT TO BE DOUBLED

**Thames River Specialties Company Votes Half Million
 Bond Issue—By Spring Will be Turning Out 100
 Tons a Day.**

The Thames River Specialties com-
 pany at Montville, which was started
 two years since manufacturing paper
 boards, has found its capacity to be
 inadequate to care for the continued
 increase in demand for their high
 grade board and Wednesday afternoon
 a meeting of the stockholders of the
 company was held at the office of the
 company and an issue of \$500,000 con-
 vertible 6 per cent. bonds was author-
 ized, and an equal amount of increase
 in capital stock was authorized to pro-
 vide for the conversion of these bonds.
 A sufficient amount of these bonds
 has already been underwritten at par
 for the need of this mill, making out
 for the present increase in capacity.
 The mill construction will be in
 charge of Engineer George F. Hardy
 of the Bagley & Seavall company of
 Watertown, N. Y. This machine will
 be 120 inches in width, and 320 feet
 long, and is to be especially designed
 for the need of this mill, making out
 same the highest grade and quality of
 boards, for which the Thames River
 Specialties company has won such a
 merited reputation.
 The refining machinery, beaters and
 jordanis will be furnished by the E.

D. Jones & Sons Co., of Pittsfield,
 Mass.
 The increase in capacity will be ef-
 fected early in the coming spring,
 making the mill capacity approxi-
 mately one hundred tons of board per
 day.
 The officers of the company are:
 Mansell Van Rensselaer, president;
 Heratio Bigelow, vice president; David
 S. Greenough, Jr., treasurer; Albert F.
 Bigelow, secretary; A. J. Huganard, as-
 sistant to the president; Robert P.
 Stevens, superintendent of manufac-
 ture; Lewis H. Scranton, sales man-
 ager.
 The big paper mill is now running
 full time and filling orders as fast as
 possible. The doubling of the capacity
 will not require any new buildings,
 as that was provided for when the
 mill was constructed. There will be
 new foundations and floors to be put
 in for the extra machines and work
 on this part of the change is to be
 started at once, so that the new ma-
 chine can be installed for the spring
 output. This will, of course, mean the
 increasing the number of employees in
 a like proportion.
 The increasing of the capacity of
 the plant will not interfere with the
 other specialty concern which occupies
 the second story of the finishing build-
 ing.

IN THE CITY COURT.

**Cases Against A. Marcus Continued
 Until Today—Other Business.**

At the session of the city court on
 Wednesday morning the case against
 Aaron Marcus was continued until this
 morning, he being charged with sell-
 ing without an auctioneer's license.

There were twelve suspended cases
 called up and there were three who
 failed to appear. Four paid their bills
 and five were continued for a month.

The continued non-support case
 against Harry Hankin, which has been

 He got into trouble, it is believed, by
 marrying two women, but this tangle
 has been straightened out by a divorce
 being secured.

 the home of his mother in Talman
 street, and at St. Patrick's church Rev.

 were sung by Mrs. E. J. Gough. There
 were many present and the floral trib-
 utes were handsome. The bearers were

 her. Burial was in St. Mary's cem-
 etery. Funeral Director Gager was in

WEDDING.

Tabbs—Slate.

Deputy Sheriff J. H. Tabbs of Nian-
 tic and Mrs. Gertrude L. Slate of New
 London were married at noon Wednes-
 day. The ceremony was performed at
 the home of the bride, 355 Bank street,
 New London, by Rev. Joseph P.
 Brown. Only a few relatives and inti-
 mate friends of the couple were pres-
 ent. The news of his marriage was a
 complete surprise to the deputy's host
 of friends.

Immediately after the ceremony Mr.
 and Mrs. Tabbs left for New York on
 route to Parsons, Kas., where the de-
 puty sheriff's son, Palmer, is located.
 The wedding will include a visit to St.
 Louis and other large western cities.

The sheriff thought to make his
 large host of friends, from whom he
 wished to keep the fact of his mar-
 riage until he was out of town. But
 the secret became known and he was
 surprised at the attention by a dele-
 gation who showered their congratula-
 tions upon him.

Deputy Sheriff Tabbs has a large
 circle of friends in the county and
 especially in New London and Niantic,
 a large number of whom are of the
 law fraternity, who wish him com-
 plete happiness in his new venture in
 life. He is well known in Niantic,
 where he has been elected to the of-
 fice of tax collector for 11, Donovan,
 terms. He is a member of Bay View
 lodge, No. 102, F. and A. M. of Nian-
 tic, Union lodge, No. 10, A. O. U. W.
 of Niantic, and Niantic lodge, No.
 142, N. E. O. P. of Niantic, and Trum-
 bull lodge, K. of P. of New London.

 Power as Dick, then calls him Fred

FELLOWSHIP MEETING

Held at the Ledyard Congregational
 Church—Interesting Programme.

There was an attendance of about
 one hundred, including a number from
 Westerly, Mystic and Stonington, at
 the fellowship meeting held in the
 Ledyard Congregational church on
 Wednesday, and the session proved a
 pleasant and profitable one to those
 present. The morning session was
 opened at 11 o'clock and ex-County
 Commissioner E. F. Williams presided.
 Prayer was offered by Rev. F. M. Hol-
 lister of North Stonington, following
 the singing of a hymn and Mr. Wil-
 liams read from the scripture. A
 forceful and interesting sermon was
 preached by Rev. S. M. Cathcart of
 Westerly and he was heard with close
 attention throughout his address. The
 meeting was then adjourned and a
 chicken pie dinner was served in the
 basement by the ladies of the church.

Mr. Williams also presided at the
 afternoon session, which opened with
 singing, followed with a few interest-
 ing remarks by the chairman. God's
 gifts and Man's Responsibility was the
 subject brought up for discussion, and
 the following spoke on the topic: Mr.
 Chubb of Westerly, Rev. J. O. Har-
 rows of Norwich Town, Rev. G. R.
 Spaulding of Stonington, Rev. D. C.
 Stone of Stonington, Rev. A. E. Earn-
 shaw of Mystic, Rev. S. M. Cathcart
 of Westerly and Rev. W. F. White of

The next fellowship meeting will be
 held at the Road church in Stonington
 and the subject to be discussed is

 to Me?"

 Patronized.**

At the Spiritual academy on Wed-

 than fulfilled their expectations. Over

 salads served were potato, vegetable,
 Waldorf, salmon, shrimp, egg and meat
 salads.

The supper committee comprised
 Mrs. Gertrude Todtill, Mrs. Ida Green,
 Mrs. C. S. Twist, Mrs. E. R. Tuttle and
 Mrs. A. Gould. A prize cake that was
 donated by Mrs. A. Gould was award-
 ed to Mrs. A. E. Barnes. The next sup-
 per of the society in two weeks comes
 on the night of their annual fair.

Relief Corps Gave Supper.

A supper with a Halloween setting
 was given on Wednesday evening at
 the Spiritual academy. The supper was
 given on the occasion of the annual
 supper of the Relief Corps and was
 largely patronized. The executive
 committee was in charge. Black out-
 fits were worn at each table, with
 paper napkins appropriate to the sea-
 son and other Halloween accessories.
 A delicious menu was served.

Marvel For Any Superfluous Hair

**Wonderful Action of Electro-In, the
 New Hair-Remover, Will Surprise
 You.**

Nearly every man or woman who has
 been troubled with superfluous or un-
 desirable hair has had experience with
 various preparations which merely
 burn off the surface hair, reddens the
 skin, and fail to kill the hair roots.

Electro-In is the remarkable new
 hair-remover which does more than
 merely kill the surface hair. It goes

to the hair roots, destroys them abso-
 lutely and forever. Electro-In, instead
 of burning or reddening the skin as other
 hair-removers do, leaves the skin fresh
 and soft, so nobody can ever tell you
 have been using anything. Whether the
 superfluous hair is of light or heavy
 growth, Electro-In will destroy it im-
 mediately and permanently.

Even thick facial hair makes a woman look
 coarse. Heavy growth is humiliating,
 and is Cupid's worst enemy.

Make your face, arms, hands, shoul-
 ders, neck and bust look clean and ex-
 quisite by using Electro-In.

The retail price is \$1.00 a bottle.
 Your money refunded if you are not
 satisfied.

Just send coupon below, with name
 and address, together with 3c stamp in
 box for postage, for a free trial pack-
 age of Electro-In to prove what it
 will do.
